

Game Set Up:

1. Each player selects a character as their game board.
2. Use a pencil and paper clip to assemble the spinner below.
3. Place a stack of apples in the center.

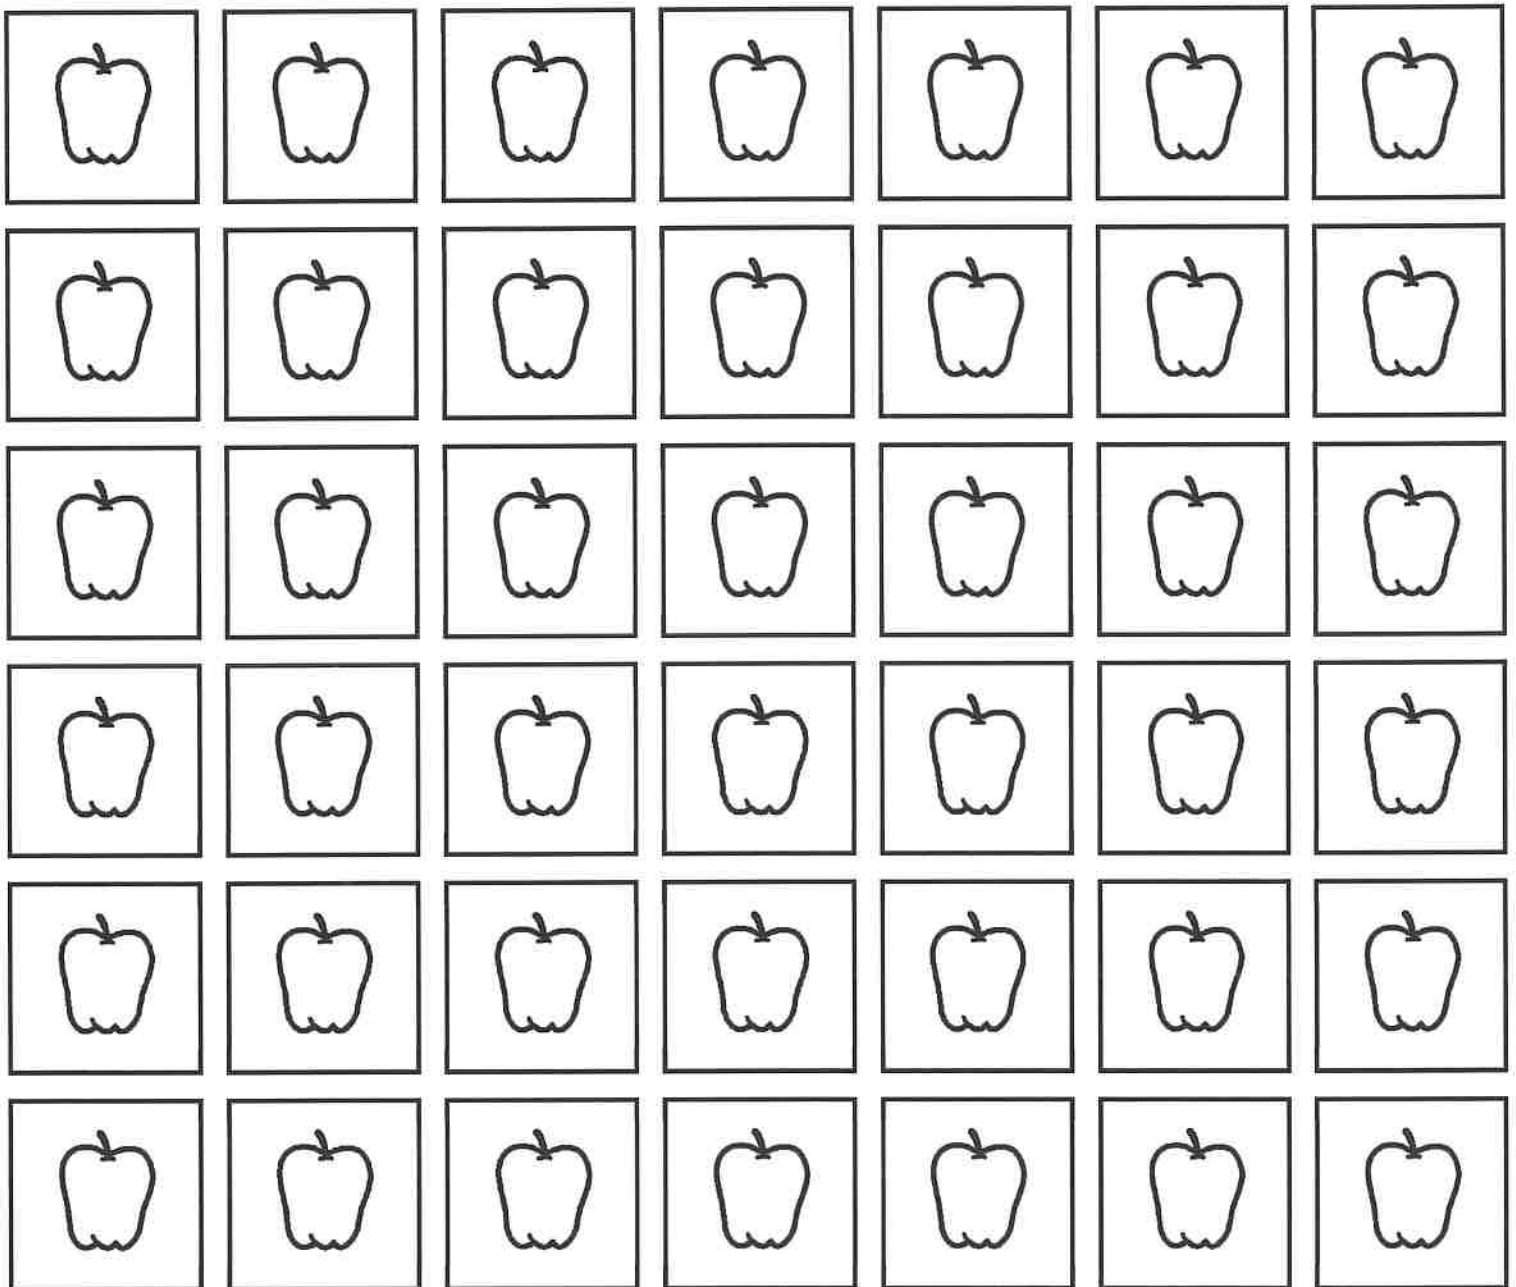

Game Rules:

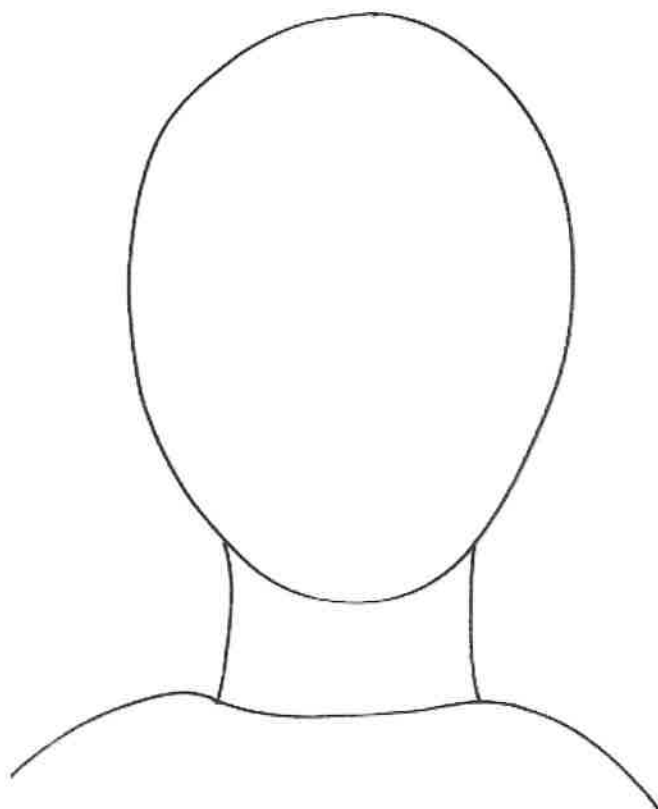

The first player spins the spinner below. They then add or remove apples from their head (on the game board) according to where they land on the spinner. It is then the next player's turn. Play continues in this way until someone wins.

- If you spin 1, 2, 3, or 4 apples up on top, add that number of apples to your head.
- If you spin "Bear knocked down 2 with his mop" put 2 of your apples back in the center pile.
- If you spin "A bird ate 1 of your apples" put 1 of your apples back in the center pile.
- If you spin "You dropped 3 apples" put 3 apples back in the center pile.
- If you spin "CRASH!" you must put ALL of your apples back in the center pile.

To Win:

The first player to get exactly ten apples on their head wins the game.
